

Clean-up Day at St. Bridget's

On Saturday May 3, 2009 almost 40 parishioners showed up at St. Bridget's with all the equipment they had to clean up the grounds. It was a beautiful day for the job because it was sunny but not hot. Everyone worked extremely hard. When it came time for lunch the workers didn't want to stop until the job was done.

After cleaning some of the dirt off, we enjoyed a lunch of hamburgers and hot dogs with salads. It was wonderful to sit and talk with some old friends and some soon to be new friends.
